

What are your plans this summer?

5-8 SESSION PARTNER / SALARIED GP

Craigmillar Medical Group

- 9,000 patients
- 7 partners, 2 salaried GPs, Training Practice
- ANP & Senior Mental Health Nurse
- 3 Practice Nurses & 3 HCAs, Link Worker
- Modern purpose-built premises
- NHS Community staff on site
- NHS Lothian main leaseholder
- Half-day Duty system, with identified 'back up'
- House of Care approach to Chronic Disease

One of our fantastic 6-session GP Partners is heading West, so we are looking for a brilliant GP to join our team working at the 'Deep End' of General Practice and help us get the most out of the New Scottish GP Contract for our patients and community in an area of significant socio-economic deprivation in Edinburgh NE Locality.

We remain committed to the partnership model of General Practice, and are a profitable and financially stable partnership (eligible for Golden Hello). It is more important to us to find the right person for the team, so we are very happy to receive applications from GPs who would prefer to join us as Salaried GP, potentially with a view to partnership.

If you think that might be you, then please do get in touch.

We trust, value, and support each other as colleagues. We have taken active steps to regain control of our workload, expanding our team to include an ANP, Senior Mental Health Nurse and Community Link Worker. We have deliberately structured our timetable to protect coffee time every morning and in-house education. We also have practice-funded sabbaticals for partners.

Interested?

Informal visits are encouraged, so please contact us to arrange: 0131 322 2111
To apply please email your CV with a covering letter to GP Anthony Simon.
anthony.x.simon@nhslothian.scot.nhs.uk

Closing date: 9th April 2018

Preferred start early July 2018
